Members of **Gillin, Jacobson, Ellis & Larsen (Orinda, CA)** were recently selected by their peers for inclusion in The Best Lawyers in America® 2008 (Copyright 2007 by Woodward/White, Inc., of Aiken, S.C.).

The 2008 edition is the thirteenth edition of The Best Lawyers in America. Since its inception in 1983, Best Lawyers has become universally regarded as the definitive guide to legal excellence in the United States. Because Best Lawyers is based on an exhaustive peer-review survey in which 24,000 leading attorneys throughout the country cast almost two million votes on the legal abilities of other lawyers in their specialties, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in Best Lawyers is considered a singular honor.

Best Lawyers® Methodology

Inclusion in The Best Lawyers in America is based entirely on peer review. Lawyers are not allowed to pay a fee to be listed, nor are they required to make a purchase.

More About Best Lawyers

First published in 1983, Best Lawyers is the oldest lawyer-rating publication in the U.S., and the gold standard for accuracy and integrity. While it is true that the lists may at times disproportionately reward visibility or popularity, we remain as confident today as we were twenty years ago that the breadth of our survey, the candor of our respondents, and the sophistication of our polling methodology largely correct for any biases and that these lists continue to represent the most reliable, accurate, and useful as well as the most transparent guide to the best lawyers in the United States available anywhere.
